PRIMARY EXAMINER

Applicant's Amendment (filed 4/12/2004) is acknowledged.**Error! Bookmark not defined.**

Claims 1 and 3 to 20 are allowable over the prior art of record.

Claim 2 has been cancelled.

The application having been allowed, formal drawings are required in response to this Office action.

In order to avoid abandonment, the drawing informalities noted in Paper No. 2, mailed on 3/25/03, must now be corrected. Correction can only be effected in the manner set forth in the above noted paper.

Formal drawings are now required and must be filed within the three month shortened statutory period set for response in the "NOTICE OF ALLOWABILITY" (PTOL-37). Extensions of time may be obtained under the provisions of 37 C.F.R. § 1.136(a). Failure to timely submit the drawings will result in **ABANDONMENT** of the application. The drawings should be submitted as a separate paper with a transmittal letter which is addressed to the Official Draftsman. The art unit number, serial number and number of drawing sheets should be written on the reverse side of the drawings.

REASON FOR ALLOWANCE

1. The following is an Examiner's Statement of Reasons for Allowance:

As to independent claims 1 and 11, the prior art of record fails to show the combination recited in any of the claims. In particular, the prior art of record fails to show or collectively teach a laminate substrate, an antenna element coupled by a trace, bonding wires and bond pads, wherein the bottom surface is electrically connected to a printed circuit board. Applicant's arguments provide reasons for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably **accompany** the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
